How to download required and recommended Books:

You are not required to purchase hard copies of textbooks unless you are interested to have them in your library. All books are available to download for free through ISU-Library and Course Reserves.

See the step-by-step instructions to download textbooks:

- 1. Click on a book link on the syllabus.
- 2. You will be directed to the purchase page. <u>Click on Download Free PDF</u> on the right side of the page.

3. On the NATIONAL ACADEMIES PRESS page; Click on Download as Guest.

4. Insert your ISU email address, accept the term of use and click on continue.

To continue, please log in with your existing MyNAP account, create a fire account or download <i>Toward Sustanatale Agricultural Systems in the 21st Century</i> as a gue You can lind additional resources through the catalog page.
DOWNLOAD AS A GUEST
While logged in as a guest, you can download any of the free PDFs on NAP edu. You'll remain logged in until you close your browser.
